A. Pre-qualification Procedure

This Pre-qualification Statement seeks to identify potential responsible bidders for the above referenced project. The pre-qualification process will be conducted as follows:

1. The BJCC will appoint a Committee to review and evaluate the Contractors' submissions.
2. The Contractors' submissions will be forwarded to all members of the Committee for review.
3. The Committee will meet to review each submittal and to discuss the submittal's compliance with the Criteria for Determining Pre-qualification.
4. The Committee, within the bounds of good faith and considering the best interests of the BJCC and the expenditure of public funds, will determine within its sole discretion whether a Contractor has met the pre-qualification criteria and requirements of the project as set out herein.
5. The Contractor is to submit 1 original and 3 copies.

J. Criteria for Determining Pre-qualification

The selection Committee, within its sole discretion, will determine if the Contractor is to be pre-qualified to bid on the project. In considering the best interests of the BJCC and the expenditure of public funds, the Committee, based upon its review of the totality of the submittal, and applying whatever weight or importance it deems appropriate to all or limited portions of the submittals will, in addition, consider the following criteria or information:

1. Copy of current Alabama Contractors license, **as issued by the State of Alabama Licensing Board for Contractors**, must be included with pre-qualification submittal.
2. Must have a **minimum of five (5) years verifiable experience** working in an occupied building, including the implementation and monitoring of Interim Life Safety Measures, on projects similar or larger in size and scope as described in the Scope of Work included in the Advertisement for Bidder Pre-qualification.
3. Must have completed **within the last (3) years** a project similar or larger in size and scope as described in the Scope of Work included in the Advertisement for Bidder Pre-qualification.
4. The subject project must not equal more than **30%** of your total work in progress.
5. The subject project must not equal more than **30%** of your average annual revenue.
6. If applicable, the Contractor's past performance on and handling of other BJCC projects both as to quality of work performed and project administration and coordination.
